FAQ NO.1

DO YOU GIVE ALL THE PHOTOS TO US?

Yes, we do!

We understand that couples want to look at all their photos. Please be informed that unedited photos is our personal keepsake only. We will provide separate folder for edited photos for you to share with your friends and family.

FAQ NO.2

CAN WE MEET UP?

We would love to meet up with you if you want to view album samples or further clarification of the wedding packages.

Feel free to ask and discuss anything thoroughly to make sure everything will work seamlessly on the most important day in your life!

FAQ NO.3

WHY ARE YOUR PHOTOGRAPHERS THE ONES WHO WILL CHOOSE WHICH PHOTOS TO BE EDITED?

MAKING YOUR LIFE EASIER

That is our job as professional. We usually took 2000-3000 photos per day. It took years for non professional to do it. It will cause massive pileup in our data and eventually, disrupt our workflow.

Our photographers and editors are more than capable of sorting candid shots and artistic shots. We understand which images worth editing and which are not.

Thank you!

Regardless of whether we come along for the ride or not, we believe that is not a coincidence for you to discover our works. Maybe if we lucky enough, we will get to listen to your love stories.

And for that, we are eternally grateful
